

PLEASE BRING THE FOLLOWING TO THE ATTENTION OF ALL CREWS

Trailer Parking

There is limited trailer parking at the Wycliffe Small Boats Head.
Please make sure that you arrive with the minimum of trailers.

Only trailers and cars carrying boats will be allowed pass the Church in Saul Village. Any cars trying to reach the boathouse will be sent the long way round back to the Crew and spectator car park.

Crew and Spectator Parking

Crew and Spectator Parking is a short distance away across a field with a style across a fence.

This mean that you will need to make sure that all of the boat equipment is on the trailer otherwise you will need to carry it.

Crews and Spectators must NOT park on the side of the roads in the area.

Coaches and Large Buses

If the club intends to arrive on a large coach (larger than a minibus), please ring Phillip Clements on 01453 732033 and you will be given instructions on where to come to drop off the crews and park.

Phillip Clements
Chairman
Wycliffe Small Boats Head 2011
